*Training to empower women with the knowledge to care for their own vehicles and avoid ending up stranded on the side of the road.*

## Women will learn:

- Importance of routine inspections, preventive maintenance
- How to inspect:
  - fluid levels
  - tire tread life
  - expiration dates on tires
  - belts
  - hoses
  - battery posts
  - cables
- Self-protection if stuck on the side of the road
- On-site staff will walk women through inspecting their vehicles.

The training is FREE! Light refreshments will be served. Auto Zone will provide free ice scrapers, cans of de-icer, tire pressure gauges and air fresheners while supplies last.
